STITES & CO.'S
Standard Iron Measures.

—Also,—

BUCKETS AND PAINT PAILS.

Corn, Coal and Lime Bushels, Half Bushels and all the smaller sizes; Steamboat, Stable and House Buckets; also, Well Buckets, Self-Emptying Well Buckets and Stock Well Buckets.

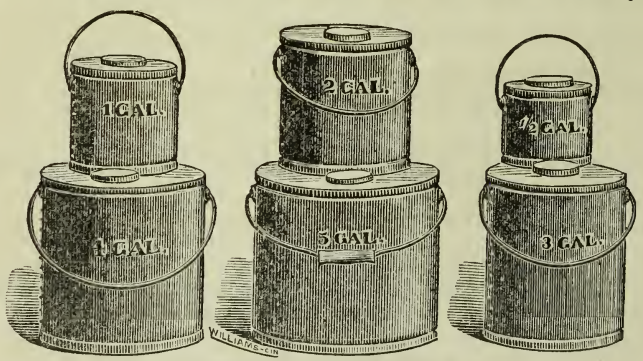
They are made of a superior quality of Sheet Iron, with Wooden Bottoms bound with Iron before they are put in, and hoops shrunk on same as a tire is put on the wheel of a wagon.

IT IS ECONOMY TO BUY THEM.

The Measures are always correct, and are not injured by rats or other animals. The Buckets do not fall to pieces when exposed to the sun.

FOR SALE BY ALL THE LEADING HARDWARE HOUSES.

IRON PAINT PAILS FOR MIXED PAINTS, &c.,



Patented September 16, 1873.

With Wooden Heads, which require no boxing to ship them; and the paint is always ready for use, in small quantities, by simply removing the bung, stirring up the paint, and painting from the hole; when done, the bung can be replaced, thereby excluding the air until the remainder of the package is wanted, when the head may be removed, thus making a good bucket for paint or other uses. The large sizes, when emptied, make excellent slop or garbage buckets. SEND FOR CIRCULARS AND PRICE LIST. Address
